

**WOULD
YOU LIKE
TO HAVE**

- more sales?**
- higher profits?**
- less employee turnover?**
- increased customer retention?**
- a strong sales and service culture?**
- hired the right people the first time?**
- less office politics and employee drama?**
- more productivity from your employees?**
- great “leaders” instead of routine “managers”?**

**WE’LL TAKE
CARE OF IT.**

Brad Worthley International has established itself over the last 15 years as a full service business consulting firm that works with small and medium-sized companies (as well as some of the largest corporations in the world) to create a strong company culture. With their help, your employees will enjoy coming to work, and customers will love to do business with you. Brad Worthley International's unique, employee-friendly process is quick, easy to administer and a tremendous value with a huge return on your investment.

UNPARALLELED EXPERTISE

Brad Worthley, an accomplished consultant with over 32 years of business management experience, is also an internationally acclaimed leadership, customer service, and motivational expert. Brad's electric energy and deep passion, combined with his extensive retail, mystery shopping, and business background, makes him invaluable in serving all your needs. He is an author, consultant, trainer, keynote speaker and personal coach who can help you create the kind of company you've always dreamed of.

“All these years in business I didn't think there was anything left to learn. Boy, was I wrong! Brad kept me sane and centered as well as reaching for new heights in our business. I have found myself and our employees more productive, organized, and loving our jobs with the new direction that Brad provided us.”
– Jennifer Moore, President, The Perfect Touch

“If you're looking to energize your service efforts and improve customer retention, then I highly recommend you look at Brad Worthley.”
– Steve House, Quality Service Manager, Compass Bank
